

collaborative workshop on best practices for your job search

What better way to end the year than with a collaborative workshop on best practices for successful outplacement.

During yesterday's session led by Sara Bruzy and Isabelle Fievet-Rossignol, we looked at essential elements such as the need to build your network, how to use LinkedIn to its full potential, how to send a spontaneous application and how to succeed in your job interview.

By sharing their knowledge, ideas and experiences, our participants benefited from the collective intelligence of the group to find new solutions and strategies to support their job search.
